

COMMITTED TO QUALITY, DELIVERED THROUGH TRUSTED CHANNELS

At Kenya Breweries Limited (KBL) and UDV Kenya Limited (UDV), the safety, quality and authenticity of our products remain our highest priority.

We encourage wholesalers, retailers, stockists and consumers to purchase our brands only from authorised distributors, licensed outlets and our official e-commerce platform, TheBar.ke. Buying through authorised channels helps ensure you receive genuine, quality-assured products.

Our products are manufactured and distributed under the oversight of relevant regulatory authorities, including the Kenya Bureau of Standards (KEBS), the Kenya Revenue Authority (KRA), the National Environment Management Authority (NEMA) and County Governments. Our production facilities, processes, permits and products are regularly inspected and vetted to ensure compliance with stringent quality, safety, environmental and licensing standards.

Our commitment to excellence is recognised globally, with brands in the EABL portfolio, including Tusker Lite and Tusker Malt Lager, earning international quality recognition at the Monde Selection Awards.
